Details of the activities undertaken in the year of 2019-20

I. Students Participation in outside the campus activities

a) Wild life week celebration 2019

Ten students of Boomitra sena club participated in the competitions conducted by forest and wild life department in connection with wild life week celebration 2019 at Vanasree, Mathottam , Kozhikode. Miss. Wafira Hanna secured the second place in essay writing, Mr. Ahmed Jafar secured third place in water color painting and Mr. Unaisudeen achieved second prize in pencil drawing.

b) Rain International natural film festival @ Kumarakom , Kottayam

Five members participated in the rain international natural film festival held @ Kumarakom , Kottayam conducted by Birds Club international on 24 -26 january 2020.

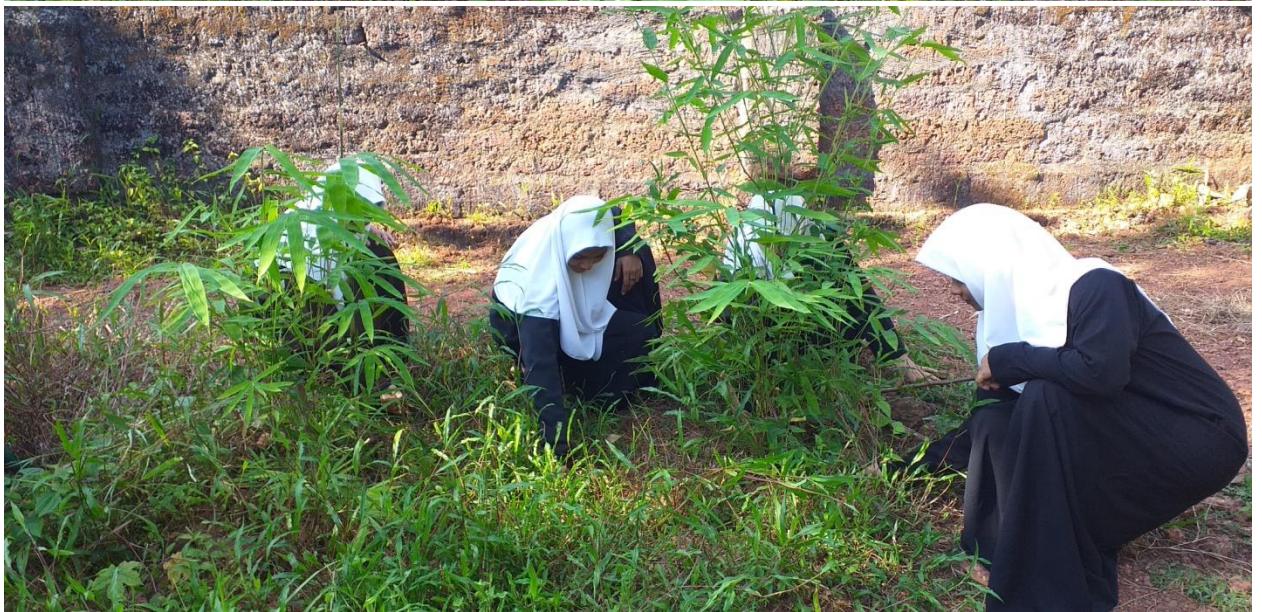

II. Environment day observation

In connection with world environment day observation we planted 40 plants of different types in the campus and its surroundings. College Principal Dr. Abdurahiman Cherukara inaugurated the program. Unit president Mr. Salih led the activities.

III. Bamboo day observation

Unit observed the 10th world bamboo day on 18/09/2019. FIC Dr. Umair Khan M delivered the message. Students indulged in the protection of bamboo plants that were planted in the campus.

IV. One day camp

Unit conducted one day camp on 02.10.19. Sri. Aboobacker K (Asst. Prof) delivered the key note address. The Principal Dr. Abdurahiman Cherukara inaugurated the camp. Aboobacker K & Mr. Mishab gave the training in handicraft preparation with waste materials. Participants were divided into different groups and conducted different games to make them aware on the importance of the nature.

V. Campus Beautification

Unit members were engaged in campus beautification activities on 08/01/2020.

VI. Nature Camp

A team of 45 students attended in the one day nature camp at Janakikkadu, Kuttiyady, Kozhikode district on 22/10/2019. The team attended an interactive session led by Mr. Suresh, section officer (forest department). The camp was provided by Social forestry and information wing under Kerala forest & wild life department.

After the session, the team went for trekking into the forest .The forest guide Rajan, took them into a state of wonder as he described each and every tree they passed on, in addition to their medicinal values and scientific names.

VII. Medicinal Plant Exhibition

Two day medicinal exhibition was conducted in connection with ROSA (Rouzathul Uloom Old Students Association) Alumni meet. More than three hundred old students visited the exhibition.

VIII. Office

Club members renovated the office by cleaning an unused room in the college. Famous quotes related to nature and messages were displayed in the walls.

IX. Unit visit

The college principal and the BMC members received the officials from the Directorate of environment and climate change on 14/01/2020 in connection with their unit visit. The officials (Dr. John C Mathew, Toms Augustine & Sreeja Raj S.R) interacted with the students and they cleared the doubts and queries regarding the Environment issues and Boomitra Sena Club.

X. Medicinal Plant Garden

Club created a medicinal plant garden (Neer Mathalam) consisting 40 numbers of different type medicinal plants in the campus. The garden was inaugurated by Dr. John C Mathew (Envt. Program Manager, Directorate of Environment and Climate Change, TVM)

XI. Award meet

Conducted annual award meet on 24.02.2020. Mr. Fahad P (Asst. Prof. of Commerce) interacted with the students about the need of environmental protection and he distributed the awards to the outstanding volunteers.
