- 2- Blood group identification camp
- 3- Orientation Programme
- 4- Health education programmes
- 5- Refresher classes
- 6- Blood donation camps
- 7- Observation of world AIDS Day etc.

Activities of the academic year

1. World Aids Day Observation

As part of the world aids day observation on Dec 1, the Red Ribbon Club of the college conducted an event collaborating with NSS Unit to create a positive awareness among the students on this epidemic and its consequences. The college principal Dr. Abdurahiman Cherukara inaugurated the event which was started with welcome key by Aboobacker K, coordinator of the club. IQAC Coordinator Shahad Bin Aly delivered the key note address and reminded the students to support the patients. More than 50 students participated and took pledge to support the patients in the event which was held in college courtyard and ended with thanks note by NSS Programme Officer Dr. Izudeen.

Badge Day

In support with the HIV patients in the world, the club members observed a red badge day on Dec 2. All the club members wore a red ribbon on their dress. The College Principal Dr. AbdurahimanCherukara inaugurated the event by putting a red ribbon on the student secretary's dress.

Blood Donation

Promoting blood donation and conducting blood donation camps are among the main objectives of the club. Though the club couldn't be able to conduct blood donation camp in the institution during the academic year, it encouraged the members to donate their blood in voluntarily and when it is requested by the needy people in various hospitals. In the year 15 volunteers of the club donated their blood.
