BEST PRACTICE 1: A MODEL FOR SUSTAINABLE RESPONSIBILITY

INTRODUCTION:

Rouzathul Uloom Arabic College is dedicated to fostering a sustainable and responsible community, aligning its practices with the Sustainable Development Goals (SDGs) set by the United Nations for 2030. The college has embraced the vision of a more equitable, sustainable, and resilient world, and has implemented a comprehensive program that integrates these global goals into every aspect of college life. This initiative, titled "A Model for Sustainable Responsibility," not only focuses on sustainable development within the campus but also extends its impact to the surrounding community.

The program is designed to raise awareness about the importance of the SDGs and encourage both students and staff to actively participate in achieving these objectives. By incorporating the SDGs into academic curricula, extracurricular activities, and institutional policies, the college aims to create a holistic approach to sustainability.

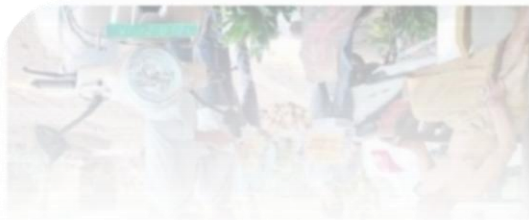

NO POVERTY

UDAYAM PROJECT

The NSS unit of Rouzathul Uloom Arabic College participated in the "Udayam Project," an initiative launched by the Kozhikode District Collector to provide home care for homeless individuals. The project aims to support people living on the streets by offering them shelter and care. There are three home care centers under the project, but one of them had to stop functioning due to lack of funds.

In response, the NSS unit of Rouzathul Uloom Arabic College organized a fund collection drive to help revive the halted center. The drive was conducted under the guidance of the NSS Program Officer *Navas PP* and was supported by many enthusiastic volunteers. The collective efforts of the NSS volunteers successfully raised a substantial amount of money, which will go towards reactivating the center and helping people in need, including those from other states.

This initiative reflected the commitment of the college and its NSS unit to social welfare and community service, contributing to the well-being of vulnerable populations.

LENDING A HELPING HAND TO THE NEEDY

The Balsam Palliative Care Cell at Rouzathul Uloom Arabic College is an initiative dedicated to provide physical, emotional, and psychological support to patients with chronic and terminal illnesses.

TWO 20 COLLECTION ATHANI

RUA college NSS unit conducted collection for ATHANI where home care, treatment for patients, house for Poor's are conducting, on Tuesday 4 July 2023. The program was named as TWO20. Most of the institutions are collecting money every month for this Centre. We have started the collection from February 2023. As a part of this, today NSS unit has collected the amount of Rs 1438/- from the students and transferred to the Centre under our Program officer Navas PP. NSS Volunteers Sinan, Arshak, Althaf has given leadership for this collection.

BUILDING A HOME

The National Service Scheme (NSS) unit of Rouzathul Uloom Arabic College undertook a significant initiative to build a home for a family from an economically disadvantaged background.

SNEHATHEERAM; OLD AGE HOME VISIT

On January 24, 2024, the 3rd-year BCom students of the Department of Commerce, along with Balsam Palliative Care at Rouzathul Uloom Arabic College, organized a heartwarming visit to the nearby old age home, "Snehatheeram." Led by class teacher Muhammed Zameel K M and Assistant Professor Shabi Suhail, the students engaged in meaningful interactions with the elderly residents. They sponsored a lunch for the residents, fostering a sense of camaraderie and togetherness.

The day included cultural performances by both students and residents, creating an atmosphere of laughter and shared joy. Principal Shahad Bin Aly, Assistant Professors Ali Keeriyadan and Dr. Fahad P, also participated, highlighting the college's commitment to community engagement.

The event, titled "*Harmony of Generations*," demonstrated the college's dedication to holistic education by instilling values of compassion, empathy, and appreciation for different life experiences. It left a lasting impact on everyone involved.

The event concluded with a vote of thanks by *Fathima Inan*, NSS Joint Secretary.

SUSTAINABLE FARMING INITIATIVES

Rouzathul Uloom Arabic College has launched an initiative focused on sustainable crop cultivation, aimed at promoting eco-friendly farming practices and contributing to the long-term sustainability of the local community. This project not only supports environmental sustainability but also works towards enhancing food security by encouraging the use of sustainable agricultural methods. In addition to this, the college provides a scholarship program that covers food and accommodation expenses for hostel students, ensuring that they have the necessary support to focus on their education without the burden of financial constraints. Through these efforts, the college strives to create a positive impact on both the environment and the students' well-being.

GOOD HEALTH AND WELL- BEING

MENTAL HEALTH AWARENESS PROGRAMS

Jeevani is a new initiative by Department of Kerala Collegiate Education to provide mental health services to students in Government Arts and Science Colleges. It was introduced in the academic year 2019-20. The centre aims to early intervention and identification of mental health issues among college students. In the present year of 2023, the Department of Collegiate Education decided to provide mental health support for the students of aided colleges also. As a part of this, various government colleges conducted interviews for appointing Psychology apprentice for aided colleges for an academic year.

The Jeevani Counselling Program is designed to provide emotional and psychological support to students facing academic, personal, or social challenges. The program is managed by certified counsellors who offer confidential one-on-one sessions.

HEALTH CAMPS

Rouzathul Uloom Arabic College recently organized free medical check-up camps, dental care sessions, and vision screenings in collaboration with local hospitals. This initiative aimed to promote health awareness and provide essential healthcare services to students, faculty, and the community. Activities included general health examinations, dental check-ups, and vision tests, with free dental kits and eyeglasses distributed to participants. The event was a success, with significant participation and positive feedback, highlighting the importance of regular health check-ups and fostering a healthier community.

MADRASSA TEACHING

Madrassas, traditional Islamic schools, play a significant role in providing religious education to children and young adults. In recent years, college students have increasingly taken an active role in teaching at madrassas. This report explores the significance, benefits, challenges, and outcomes of such initiatives. Many madrassas lack qualified teachers due to limited resources. College students fill this gap by contributing their knowledge and skills.
