ROUZATHUL ULOOM ARABIC COLLEGE SCHOLARSHIP SCHEME

OBJECTIVES

- To Support the deprived community to attain academic progress.
- To uplift the downtrodden towards the main stream.
- To ensure academic and financial opportunity.
- To render financial aid to the poor students to meet their academic expenditures.

THE CONTEXT

As the major objective of the institution is to enhance the academic status of the backward community and the majority of the minority community are both educationally and financially backward, it was necessary to support and assist the community to achieve educational and financial capability. Keeping this in mind, the College has established 'Rouzathul Uloom Arabic College Scholarship Scheme' managed by a coordinator, elected by the staff council.

THE PRACTICE:

An annual fund is collected from members of the college management, staff, and alumnae to support the needy and financially backward students. The applications from the financially backward students are received by the respective class teachers at the beginning of the academic year. The applications are screened and the eligible students are selected by the coordinator under the supervision of the Principal and the class teachers. The scholarship is mainly distributed based on the requirement of the respective student and his/her academic performance in the Internal Examinations conducted from time to time. The scholarship amount distributed may vary in accordance to the marks scored in the Internal Examinations. If anyone is granted any other scholarship or financial assistance, he/she will be exempted from the scholarship scheme accordingly.

PROBLEMS ENCOUNTERED AND RESOURCES REQUIRED

- Incompetent applications lead to the time consuming screening process.
- Hesitation of really deserving candidates to come forward.
- Due to the aforesaid reasons, appointment of an assistant coordinator is needed.

CONCLUSION

As the scholarship amount varies in accordance with the marks scored in the Internal Examinations, every student is motivated to improve the academic performance.
