Details of the activities undertaken in the year of 2020-21

I. Students Participation in outside the campus activities

a) Virtual Workshop on Conserving Soil Biodiversity for sustainable agriculture

Ms. Ashhara, Mr. Sa-ad K and Mr. Abdul Gafoor K were participated in the Virtual Workshop on Conserving Soil Biodiversity for sustainable agriculture organized as part of World Soil Day 2020 hosted by ICAR-CPCRI, Regional station, Kayamkulam on 05 December 2020.

b) Virtual Workshop on Science, Technology and innovation for the Empowerment of students

Mr. Abdul Gafoor K and Mr. Sa-ad K participated in the Virtual Workshop on Science, Technology and innovation for the Empowerment of students organized as part of National Science Day 2021 hosted by ICAR-CPCRI, Regional station, Kayamkulam on 01 March 2021.

II. Environment day observation

Due to the issue of Covid 19, club couldn't arrange much offline programs. Even though, club arranged several online awareness programs for the members. In connection with world environmental day observation the club members planted different type of plants in their homes and surroundings. The message shared through what's App group.

III. Campus Beautification

Unit members were engaged in campus beautification activities on 16/02/2021 and the members planted more than 30 plants near the new building proposed.

IV. One day camp

Unit conducted one day camp 'Mozhi' on 29.03.20. Sri. The Pricipal in charge Dr. Ayman Shouqi inaugurated the camp. IQAC coordinator Shahad Bin Aly delivered the felicitation. Mr. Abu Sadath and Mr. Jamseer PK were handled the sessions. Participants were divided into different groups and conducted different games which leads them to aware the importance of nature. In the afternoon session the mementos were distributed for the outstanding volunteers.

V. Day observations

We have also conducted awareness programmes such as quiz competition, talks and discussion etc. through online platforms like zoom, Google meet and what's App group in connection with the national / international day observations such as water day and forest day.
